Mounting Accessories

A broad range of mounting accessories offer you a high flexibility when you mount Hirschmann devices. These specifically designed adapters and kits allow you to not only mount Hirschmann devices on a standard DIN-Rail but also on a wall, a 19" cabinet or a mast.

Mounting Adapters and Kits

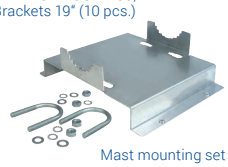
19" DIN Rail Adapter

Angled wall mounting plate for DIN rail mounting, 70 mm

Wall mounting plate for DIN rail mounting, 60 mm

M4-RACKMOUNT, Brackets 19" (10 pcs.)

M4-RACKMOUNT-50, Brackets 19" (10 pcs.)



Mast mounting set for BAT450-F

Product Name	Order Number	Description
19" DIN Rail Adapter	943 766-002	Installation rack for 19" cabinet, 8 units wide and 4 units high
Angled wall mounting plate for DIN rail mounting, 40 mm	942 177-001	Fixture to laterally mount DIN Rail devices with a maximum width of 40 mm (e.g. SPIDER I/II, SPIDER SL) on a vertical flat surface
Angled wall mounting plate for DIN rail mounting, 70 mm	942 177-002	Fixture to laterally mount DIN Rail devices with a maximum width of 70 mm (e.g. SPIDER PL, EagleOne) on a vertical flat surface
Wall mounting plate for DIN rail mounting, 60 mm	943 971-003	Fixture to mount DIN Rail devices with a maximum width of 60 mm (e.g. SPIDER, EagleOne, BAT867-R) on a vertical flat surface
Wall mounting plate for DIN rail mounting, 90 mm	943 971-002	Fixture to mount DIN Rail devices with a maximum width of 90 mm (e.g. RS20-08) on a vertical flat surface
Wall mounting plate for DIN rail mounting, 120 mm	943 971-001	Fixture to mount DIN Rail devices with a maximum width of 120 mm (e.g. RSR) on a vertical flat surface
Wall mounting plate for DIN rail mounting, 150 mm	943 971-004	Fixture to mount DIN Rail devices with a maximum width of 150 mm (e.g. OpenBAT-R) on a vertical flat surface
Wall mounting plate for screw mounting	942 114-001	Fixture to mount RSP/RSPL/RSPS and EAGLE20/30 devices on a vertical flat surface
M4-RACKMOUNT, Brackets 19" (10 pcs)	943 951-101	Brackets for mounting the MACH4000 in a 19" cabinet
M4-RACKMOUNT-50, Brackets 19" (10 pcs)	943 951-001	Brackets for mounting the MACH4000 in a 19" cabinet, 50 mm lower than with 943 951-101
MACH100/1000 fixing brackets	943 943-001	Brackets for mounting MACH100/1000 in a 19" cabinet
MACH100/1000 fixing brackets (extension + 50 mm)	943 943-101	Brackets for mounting MACH100/1000 in a 19" cabinet, moves the device 50 mm backwards
MACH100/1000 fixing brackets (extension + 80 mm)	943 943-201	Brackets for mounting MACH100/1000 in a 19" cabinet, moves the device 80 mm backwards
Mast mounting set for BAT450-F	943 966-001	Set for fastening BAT450-F device to pole, permitted pole diameter 39 mm to 60 mm
Mast mounting set for OpenBAT-F	942 116-001	Set for fastening OpenBAT-F device to pole, permitted pole diameter 39 mm to 60 mm
Mounting kit for ships 001	942 007 001	The mounting kit enables you to a avoid resonance rise. The kit 001 is snapped onto the DIN rail on the left and/or on the right of the networking device.
Mounting kit for ships 101	942 007 101	The mounting kit enables you to a avoid resonance rise. The kit 101 is snapped onto the DIN rail. The networking device is snapped onto the mounting kit.

Wireless Accessories

With our product portfolio, we focus on a high industrial suitability. In order to improve our products, in particular with regard to vibration resistance, grounding behavior, impermeability and emission behavior, we have further developed our antenna portfolio. For further information on antennas and wireless accessories please refer to either "Wireless LAN Antenna Guide" or "Wireless WAN Antenna Guide".

Wireless LAN Antennas

BAT-ANT-N-6G-IP65

BAT-ANT-N-3AGN-F

Product Name	Order Number	Type	Connector	Band / Gain
BAT-ANT-N-6G-IP65	943 981-022	Omni	N	2.4GHz / 6dBi
BAT-ANT-N-5A-IP65	943 981-003	Omni	N	5GHz / 5dBi
BAT-ANT-N-3AGN-IP67 (10pcs)	942 110-001	Omni	N	2.4GHz / 2dBi 5GHz / 2dBi
BAT-ANT-N-3AGN-F (10pcs)	942 047-001	Omni	N	2.4GHz / 2.5dBi 5GHz / 5dBi
BAT-ANT-RSMA-2AGN-R (10pcs)	942 046-001	Omni	RP-SMA	2.4GHz / 3dBi 5GHz / 5dBi
BAT-ANT-N-6ABG-IP65	943 981-004	Hemispherical	N	2.4GHz / 6dBi 5GHz / 8dBi
BAT-ANT-N-14G-IP23	943 981-005	Directional, vertical	N	2.4GHz / 14dBi
BAT-ANT-N-18A-V-IP65	943 981-006	Directional, vertical	N	5GHz / 19dBi
