ECO900

Control device for frost protection

| | |
|-------------|--|
| Code | ECO900 |
| GTIN | 6418677630866 |
| ENumber | |
| Name | Control device for frost protection Control device of frost protection in outdoor areas, ramps and roofs |
| Description | ECO900 thermostat requires always a sensor pair (Outdoor Areas frost protection: ECOA901 + ECOA902 or rainwater system frost protection: ECOA903 + ECOA904). |
| Vendor | Ensto Finland Oy  |

Technical specification

Dimensions

| | |
|------------------------------|-----------|
| Weight: | 0.8 kg |
| Dimensions l x w x h: | 105x90x60 |

Ratings

| | |
|------------------------------|----------|
| Rated voltage: | 230 V |
| Degree of protection: | IP20 |
| Power: | 3600 W |
| ETIM class: | EC001666 |

ETIM

ETIM
